April 11, 2006

The American Diabetes Association will be hosting its annual "Tour de Cure" bike ride on May 13, 2006 from Santa Monica to Palos Verdes Estates.

Complications include heart disease, stroke, kidney disease, blindness, nerve damage and severe infections leading to foot and leg amputations. This bike ride raises funds that will benefit residents of Los Angeles County through education and awareness.

**I, THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:** waive the permit of \$150 for the American Diabetes Association's "Tour de Cure" bike ride on May 13, 2006 with rest areas at Dockweiler State Beach and Manhattan Beach.
